

## DISNEYLAND

**Day 1:** After landing in Los Angeles and proceeding through customs you will board your transfer to Anaheim the home of Disneyland.

After checking in to your hotel have a bite to eat in Downtown Disney and explore the entertainment and shopping precinct or have a swim in the pool at your resort.

Then an early night in readiness for the Magic Kingdom tomorrow. If you listen carefully you may even hear the sounds of fireworks to put you to sleep.

**Day 2:** Head to the entrance of Disneyland at opening to begin your first magical day.

As you pass through the ticket booths you will see the familiar view of the Disneyland Railway Station and Mickey's face in the immaculate gardens.

Make sure you stop to take the important photos. Hold your breath as you pass under the rail line and into Main Street

USA where you have been transported into the magical world of Disney.

Before you stands Sleeping Beauty's castle and the amazing lands to discover...
